Remarks

Fantastic opportunity for savvy buyer looking for a multi family to use as owner occupied or for rental income. The 2nd and 3rd floors are combined as one unit with separate kitchens, baths and bedrooms and would be a great opportunity for multi-generational family or some other configuration. All three floors have updated kitchen and baths, individual w & d and nicely proportioned rooms with loads of light. 1st floor unit has outdoor patio and 2nd and 3rd floor units each have decks with great views. Super location near trendy Moody Street and close to parks and recreation areas. Off street parking for 4 in carport behind house. Sweet yard in back and nicely landscaped in front. Covered parking for 3 vehicles and one uncovered for 4th vehicle. Agents and buyers do your own due diligence.
